Stair Details	BART	205	Stairs
Deck Construction	BART	210	Deck
Plot Plan	BART	301	Plot
Plot Tax Map	BART	301	Plot Tax Map
Images	BART	500	Images

The project is to replace the rotted front steps with a new and expanded design, that will allow easy access to the side yard and provide a larger entry landing. We intend to upgrade to a Historically acceptable design using longer lasting materials and a more enduring style of construction.
