Hi Ann,

Please find the following attached for 211 Danforth Street:

Change of Use Application with revised cost numbers
Change of Use floor plan with architect's seal
Plot Plan from the survey

Based on the unique nature of the project we aren't certain on the proper fee amount for this phase. We have estimated \$10,000 for now, which would = \$120 for initial permit fee.

Please let us know if there is any other information our office can provide.

Thank you,
