Brian

My reviewer is looking at the plans for both the heat pump and the commercial hood unit for 211 Danforth Street.

It seems that the plans are the same for both application types.

She needs to see plans for the heat pump. This has stopped the review process until we receive them.

Thank you

Regards,

Sandy

The indoor sections are in the dining area and are shown on M-1 and the outdoor section is shown on M-2. The equipment is scheduled on M-4.
