

10/21/08 Inspected bid, advised contractor that to close-in, structural support and plumbing issue. I told the contractor that I would re-report w/ a plan reviewer J.G.R. & M.B.M

10/15/08 Plumbing Permit accepted / After-the-Fact / JGR

10/16/08 Met w/ contractor. Note to assess structural issues and

Request contractor to re-evaluate, Jeanie & Dor...  
Stop all structural work and did not approve any  
Will need a design professional  
to assess and design the structural components of  
the building. A permit amendment is required for  
this work to continue. JMB & JGR

03/13/09 Close-in 3rd Floor Okay  
05/22/09 Permit Okay / After  
JMB
