Re: 37 Salem Street & 60 Clark Street -057-J-21, 22, 23 – R-6 Zone

Dear Carolyn and Jennifer and Derek,

I am in receipt of your determination request concerning the division of a lot currently under common ownership with two separate developed buildings. My determination is based upon a signed stamped survey by David E. Titcomb, P.L.S dated June 12, 2014. The property in question is located entirely within the R-6 residential zone

It is further noted that 60 Clark Street is a legal three (3) family building and that 37 Salem Street is a legal single family. The survey depicts that there will be two resulting lots, one lot for each building.

I have determined that the two (2) resulting lots will both meet the underlying R-6 zone dimensional requirements. Neither lot will create any new legal nonconformity.

If you have any questions concerning this determination, please do not hesitate to contact me at (207) 874-8695.

Very truly yours,

RE: Partition of 37 Salem St -
Zoning letter request

Dear Zoning:

I request a letter (see attached) stating that the resulting Parcel 1B of the partition of 37 Salem Street is a conforming lot. I am splitting the large lot into two pieces, with Parcel 1B and the house to be sold to Jennifer Lee Hunter and Derek Wayne Hengstenberg, and will be merging the other half, Parcel 1A on the Survey (attached) to the property I own at 60 Clark St. I have attached the Survey, copies of the two deeds, and a self-addressed envelope to send me the zoning letter that I can then give to the buyers.

Attached: - Survey of 37 Salem St.
- two deeds

Thank You
Carolyn Perazic
