Room 315, 389 Congress Street

Dear Marge,

My husband and I are seeking a change of use for our single family home to a two room Bed and Breakfast. Our property has on-site off street parking, and the proposed two rooms use less than 50% of our interior space. The rooms are located on the second floor, providing two exits and appropriate sized windows for fire code. Each room has a private bath, with coded plumbing and ventilation, and individual thermostat control. There is a common double parlor on the first floor as well as a breakfast room. We are not seeking to make any changes to the exterior of the property, and are aware of its historical guidelines. Likewise, we are not seeking to put a sign out front. We are interested in keeping the endeavor decidedly private, (for guests and neighbors alike) and plan to keep the remaining space of the house our private residence. We understand that we will be subject to requirements by the health and fire departments and will do everything required of us to comply. We also understand the concerns of our neighbors in terms of protecting the integrity of the neighborhood and not bringing any negative impacts to their dwelling space. Thank you for your consideration.

Sincerely,

Hilary Aptowitz and Leif Laudamus

RE: Notice of Violation 198 Danforth Street - 057-K-004 - R-6 zone with a Historic Overlay Zone

Dear Leif & Hilary,

It has come to the attention of this department that you are currently running bed and breakfast from your property located at 198 Danforth Street. Our files show that the last permitted use is a single family home. You have never taken out the necessary permits to change the use from a single family to a bed and breakfast. You are required to rectify that violation at this time. You will need to apply for a change of use permit immediately. Along with your application, we will need a cover letter explaining your use and number of guest rooms. We will need floor plans with dimensions showing all rooms and exiting and alarms and smoke detectors. The building and fire code reviews may also need details on fire coding and window sizes. The building and fire codes reviewers can better alert you to their particular requirements. We will also need a site plan showing your lot with the building and the number of parking spaces provided. This change of use is also subject to a site plan review thru the planning division. The R-6 zone allows a conversion of a dwelling into a bed and breakfast with up to four (4) guest rooms with just a staff review. A bed and breakfast conversion with from five (5) to nine (9) guest rooms is a conditional use appeal which use can only be approved by the Board of Appeals. It would still be subject to a site plan review.

You are also reminded to apply for the required food service license(s) with the City Clerk's office. The State of Maine also has licensing requirements for lodging facilities. It will be necessary to obtain those licenses immediately .

I want to remind you that your use request and any future approvals only encompass this location. You will not be permitted to use apartments units at other locations though out the City for this location's bed and breakfast over-flow use. Any other location shall be required to apply

for their own permits, to allow such a use, based on the underlying zone of the property.

198 Danforth Street is located within a Historic Overlay zone and is subject to the review requirements of the City Ordinance.

It will be necessary to apply for the appropriate City permits with all the required supporting documentation, as outlined, within 10 working days of the receipt of this letter.

If you have any questions, please do not hesitate to call this office. You can obtain all permit, site plan, and appeal applications in our office in room 315, third floor of City Hall. Our office is open between 8:00 am and 4:00 pm.

You have 30 days from the date of this letter in which to appeal this determination. The determination appeal is separate and distinct from a conditional use appeal as noted above. If you wish to exercise your right to appeal, you must do so within the given thirty (30) days. If you should fail to do so, my decision is binding and not subject to appeal. Please contact this office for the necessary paperwork that is required to file an appeal.

Very truly yours,

Marge Schmuckal
