Re: 57 Clark Street

Dear Ms. Sawyer:

057 K 013

You inquired as to the City's position relative to the stairway serving 57 Clark Street, which appears to be located within the City right-of-way. I checked the City's records and it appears the stairs were placed in this location since at least 1924. As a result, the City will not be taking any action requiring their removal.

I trust this satisfies your inquiry.

Sincerely,

Penny Littell
