

CITY OF PORTLAND

RE: 92 Salem Street - 058-A-008

To Whom It May Concern:

Under the City's Land Use Ordinance 14-385 (see attached), there is an allowance to rebuild a legal, nonconforming building within a year's time after it is destroyed by sudden or accidental acts. This section of the Ordinance applies to all areas and zones within the City of Portland, Maine.

Very truly yours,

Marge Schmuckal
Zoning Administrator
