

items in the Schedule of Bid Items?

**A3: Pay item 815.28 Contractor Allowance City Permits, Fees, Inspections, has been deleted. The City has waived all fees and invoices for the review time of both City staff and third party reviewers, the performance guarantee with the associated inspection fees, any street opening permits and/or other permit fees associated with the Department of Public Services, for the Portland IMT Existing Laydown and Connecting Corridor Connection project. The Contactor shall be responsible for maintaining and notifying appropriate City staff, submitting any required paperwork, and responding to requests. Also see revised Special Provision 815 BUILDINGS included in this amendment.**

**Also, please be aware that we have specified a 5 year warranty on the permeable concrete slabs in the roadway shoulder.**

**Subject:** IMT

Hi Joel, I did receive confirmation from the City Manager that city fees and a performance guarantee have been waived for IMT project. Mike Bobinsky (Director of Public Services) wanted me to forward his concern that the awarded contractor will however be required to complete a Public Services street opening permit application so that the city can track work done within the city right-of-way.
