Hello,

We are writing to follow up on application number 201700068, listed as 348 Spring Street. We understand the application is still in Zoning Review, but we'd like to provide you with some additional information that has been issued in the form of Addenda during the Bid phase. Please find links to each addendum included below. (Please note that the actual files will need to be downloaded and then opened in Acrobat in order to use them fully. Once open in Acrobat, the (paperclip) attachment icon should allow to you access the drawing attachments included within the PDF file.)

Aside from providing the updated drawings, there are just a few items of note in the addendum we'd like to call attention to below.

Addendum #1:

- (1-D3) Please note this revision had already been updated in our initial submission to you - please disregard
- (1-D40) Please note that the revised FA500R sheet included here was further updated in Addendum #3, item (3-D10) based on further discussion with the City of Portland Fire Department and Fire Prevention.

Addendum #2:
