→ RE: 336 Danforth Street

Dear Sonya,

As per our recent conversation, I have rechecked our microfiche and verified that there is no change of use permit from one family to two family on file. For your records I have included a copy of the pre-1957 assessor's records which show this building to be a one family at that time and not a "grandfathered" two unit. It appears that the Assessor's office is still assessing this property as a single family.

I have included a copy of the section of the R-4 conditional use requirements for you to be familiar with, and a packet of Zoning Board of Appeals information that you will need in order to apply for this type of appeal.

If you have any other questions, please do not hesitate to contact me at 874-8300 ext. 8695.

Sincerely,

Marge Schmuckal
Zoning Administrator
