

Aaron C. Jones, P.E., SECB, LBED AP
President

Sincerely,

Please do not hesitate to call with any questions or if I can be of further assistance.

Based on our observations and instructions to the contractor while on site, we are of the opinion that the construction has been completed in substantial conformance to the construction documents and should be accepted by the code official as such.

This letter is to confirm that a representative of this office visited the above referenced site to observe the completed headers, framing and existing masonry lintel at the above mentioned address.

To whom it may concern,

Structural Integrity Job: #12-0091
