Please find attached a scan of the General Building Permit Application which I wish to file for CBL 062-A009-001 located 139-137 Vaughan Street in Portland. As discussed with Mrs. Ann Machado, the submitted permit relates to Section 14 - 433 (c) of the code. The Dwellings meet the 3 criteria listed (a) Minimum of 250 sq. ft (as per the floor plans attached to the Permit Application); (b) Structure was built before Jan. 1, 1940 and (c) Minimum land area of 3,000 sq ft. I look forward to hearing back from you / calling back to pay the application fees once, and of course remain at your disposal to address any possible outstanding questions. Thanks.

Best Regards,
