Dear Ms. Schmuckal:

*File*  
Recently the City issued a building permit for my project at 103-107 Spruce Street with a number of conditions. Among these was the requirement that I apply for a permit for Home Occupancy. As we discussed, this request was based on several spaces in the drawings shown as a darkroom and a workshop.

The spaces in question are only for personal, or hobby, use; they are not intended for commercial or business activities. Therefore, it is my understanding that an application for Home Occupancy will not necessary.

Sincerely,

Richard K. Renner
