Dept: Fast Track Status: Approved w/Conditions Reviewer: Keri Ouellette Approval Date: 08/10/2017 Note: Ok to Issue: <input checked="" type="checkbox"/> Conditions: 1) The review of this permit did not include a review or confirmation of the zoning legal use. It is only approving the specific work described in the plans and forms submitted. The current use of the property may be found to be unlawful. 2) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm, HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems, fire suppression and fuel tanks. Separate plans may need to be submitted for approval as a part of this process. 3) This is being issued with the understanding that as a fast track, the owner is responsible for scheduling inspections for the work being done and the inspector may require modifications to the work that has been completed if it does not meet code. 4) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.				
Dept: Historic Status: Approved w/Conditions Reviewer: Robert Wiener Approval Date: 09/08/2017 Note: Ok to Issue: <input checked="" type="checkbox"/> Conditions: 1) The choice of window for this replacement is not to set a precedent for other window replacements at the property. 2) Any new exterior electrical fixtures must be reviewed and approved by HP staff, unless located on a side of the house that is not visible from the public way. 3) The new wall cap for the range hood is to be painted white to match the siding. 4) Siding is to be filled in where an existing 1x10 interrupts the siding over the Chadwick Street door and kitchen window. 5) If a screen is desired, it is to be a half screen. 6) HP staff understands that exterior sill and casing band are to match the existing details on original window.
