Hi Lonnie,

This is the application and supporting materials for a building permit for 205-215 Vaughan St. We have already applied for and been approved by the Historic Preservation Board. Due to the changing of railings it was recommended that we apply for a building permit, too. I spoke to John in Inspections and he thought just the minimal \$25.00 fee would apply. If this is different please let me know.

Feel free to contact me with any questions. I'll be sending along a 2nd email with the plans.

Regards,
Chris
