Mr. Critchfield,

This is exactly what we needed, no need to view invoices.  
Thank you Mr. Keithley for getting this to us.

Best,  
David

David,

RE: 53 West Street

See below imagery documenting our fire protection and alarm service. Let me know if you would also like to see receipt for the annual service fee. Jim said he expected that to arrive later this month.

Thanks for giving this your attention.

Best regards,  
David

Hi David: The people from Cunningham Security conducted their inspection Friday, I am attaching the sticker the city was asking about. If they need anything further, I suspect we will be getting an invoice in the mail soon.
