Hello,

Amendment to plans for permit #2016_01389 issued on 07/23/2015

The attached document shows the changes to the original plan which included a shower and sited the sink on a different wall. In this new plan, the shower has been eliminated, and the sink location is simply rotated from its original position in the current bath.

Also, I have hired a new contractor to work on this part of the remodel:

Ben Weigel
Weigel Construction Inc, Falmouth, ME
bweigel@maine.rr.com
207.776.4635

Please let me know if you would like additional images of the changes to the plan. Thank you.
