Per your request, let this letter serve as our certification for the completion of the installation of a 5 quart Range Guard wet chemical fire suppression system located **Jan Mee** located at 280 St John St. Portland, ME. Installation of the system was done in accordance with NFPA 96 standards and guidelines and meets the UL-300 standard.

This system is scheduled for a bi-annual system inspection:
April and October.

If you have any further questions or require additional information please feel free to call me at 207-784-7525.

Sincerely,

Dave Chapman
Service Manager
