Dear Mr. Marean,

The Housing Inspections Division of the Department of Planning and Urban Development has recently completed an overall inspection of the above referred property.

Congratulations are extended to you for the general condition of your property which was found to meet the standards established by the City's Housing Code. We did, however, note the following items that could cause future problems.

1. Interior Stairwell - Damaged lights and smoke detector.

Good maintenance is the best way to protect the value of your property and neighborhood.

Please feel free to call on us if we can be of assistance to you.

Sincerely,

Kathleen Lowe
