Dept: Zoning **Status:** Approved with Conditions **Reviewer:** Ann Machado **Approval Date:** 10/14/2005

Note: 10/14/05 Left message with Brett Davis. Permit approval is for condo conversion only. Any work being done on building must have separate building permits etc. **Ok to Issue:**

- 1) This property shall remain a two family dwelling. Any change of use shall require a separate permit application for review and approval.
- 2) This permit is for the conversion of three residential dwelling units to three condominium dwelling units only. Any additional renovations or alterations will require separate permits.
- 3) PLEASE NOTE: Under the City's Condominium Conversion regulations, if a tenant makes a decision not to purchase their unit and also decides not to remain in the building after their notification, that tenant has the right to move without penalty. If that protected tenant is under the 80% low/moderated income limit guidelines, there is still a requirement on the owner/developer to pay that tenant relocation payments as stated in the ordinance prior to vacating the unit. That tenant has not lost any rights under this ordinance by making a choice to move and vacate their unit after notification.
- 4) PLEASE NOTE: Under the City's Condominium conversion regulations, A) BEFORE a developer offers to convey a converted unit, a conversion permit shall be obtained. B) Rent may not be altered during the official noticing period unless expressly provided in a preexisting written lease. C) For a sixty (60) day period following the notice of intent to convert, the tenant has an exclusive and irrevocable option to purchase during which time the developer may not convey or offer to convey the unit to any other person. D) The developer shall post a copy of the permit in a conspicuous place in each unit, and shall make copies available to prospective purchasers upon request. E) If a tenant is eligible for tenant relocation payments, they SHALL be paid a CASH PAYMENT BEFORE the tenant is required to vacate.
- 5) This is NOT an approval for an additional dwelling unit. You SHALL NOT add any additional kitchen equipment including, but not limited to items such as stoves, microwaves, refrigerators, or kitchen sinks, etc. Without special approvals.
- 6) Separate permits shall be required for future decks, sheds, pools, and/or garages.

Dept: Building **Status:** Approved with Conditions **Reviewer:** Tammy Munson **Approval Date:** 11/03/2005

Note: **Ok to Issue:**

- 1) This is a Change of Use ONLY permit. It does NOT authorize any construction activities.
- 2) Construction activity was not applied for or reviewed as a part of this permit. This permit authorizes a change in ownership ONLY.

Dear Marge,

Included is my application, along with a check for \$675.00 for the conversion of a three family building I own at 205 St John Street in Portland Maine into three separate condominiums.

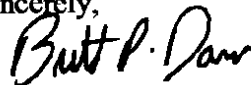

I am writing to explain the History of ownership and the recent transfer(s) of title. The previous owner Ralph M Deluca owned the property for nearly 50 years. He has since passed on a couple of years ago. Under his ownership he never rented or leased out either of the top two units. Mr. Deluca lived in the first floor unit for his entire ownership. My understanding is that Ralph's family members stayed in the top two units only on a brief visit to him sometime in the 1970's.

Mr. Deluca left the building to his neighbors Dan and Mary Sylvester who lived next door at 201 St John Street by way of his will. The Sylvester's never occupied the building nor where any units rented out under their very brief ownership. The Sylvester's immediately transferred ownership to me therefore settling the estate. Quite frankly, the entire building was not fit for inhabitants.

In short, I feel the need to share this information with you to satisfy the tenant status of the building. I bought the property completely vacant and to my knowledge do not believe there have been any tenants occupying the premises for at least twenty years maybe even up to fifty years. Dan and Mary Sylvester can attest to this for they took very good care of Mr. Deluca for many years after the death of his wife. Dan and Mary Sylvester owned and occupied the neighboring property at 201 St John Street for 42 years.

In my opinion I have done a wonderful, complete rehab of the building and it is now ready for new unit owners as condominiums. I would welcome you or someone from your office a full tour of the property, as I am quite proud of it. Please do not hesitate to call me to schedule a visit or should you have any questions. Thank you very much for your time and consideration. I hope to hear from you soon.

Sincerely,

Brett P Davis

P.S. Enclosed you will find a copies of the building, plumbing, and electrical permits.
