Keri,

All marked windows to be replaced on the 1st floor are double hung with a grid in upper side, 34" wide and 60" high - Pella 250. On the 2nd floor windows will be double hung, no grid, 34" wide 30" high.

Doors will be exactly the same size as originals. All internal doors are wood, 30-32" inch wide. Front entrance door is steel, 36" wide with 2 12" satellites.

Thank you
Dmitriy
