Structural Integrity, Inc. Job: #10-0085

Dear Anthony,

This letter is to confirm that a representative of this office visited the above referenced site on multiple occasions to observe the structural repairs.

Based on our observations, photos and instructions to the contractor, we are of the opinion that the following has been complete to substantial conformance to the contract documents including:

- Framing repairs and reinforcing
- Shearwall installation
- Existing Stair reconstruction
- Miscellaneous structural repairs

It is my professional opinion that all structural components are substantially complete and in compliance with the Contract Documents for the project.

Please do not hesitate to call with any questions or if I can be of further assistance.

Sincerely,
