Hi Deanna,

I am in receipt of your building sign application concerning the credit union. This property is located in an R-P, Residential - Professional zone which does not allow building signs, only free standing signs. I have attached a copy of the regulations for R-P zone.

In order for a waiver, there is an additional \$75 fee for planning to review your request under site plan standards. Please let me know if you wish to pursue the option of a waiver.

Thank you,
Marge Schmuckal
