Regarding our conversation on 2/1/00, the code violations at 77 Roberts Street will be started and completed by the date of 2/14/00. The reason for the delay had to do with maintenance personnel and contractors meeting and receiving approval from owner to proceed with project.

As we spoke today, I explained to you that this matter had been recently brought to my attention. I thank you for your consideration with this matter and I will be in touch with you on 2/10/00 with progress report. Please refer to following letter.

Thank You.
