Season Renew 2011

WENT BACK AGAIN ON JAN. 05, 2012 TO RE-TREAT. WAS TOLD PROBLEM AREA WAS KITCHEN, ESPECIALLY AROUND REFRIGERATOR. TOP CUPBOARDS NEXT TO REFRIGERATOR WERE CLEANED OUT AND FOOD PRODUCTS PUT ON TABLE. BOTTOM CUPBOARDS WITH POTS, PANS, ETC WERE FULL AS WERE DRAWN WITH UTENSILS. CUPBOARDS ABOVE & BELOW SINK AREA WERE FULL. TREATED CRACKS & CREVICES AROUND THOSE AREAS AS BEST I COULD GIVIN THE CIRCUMSTANCES. PULLED REFRIGERATOR AWAY FROM WALL AND TREATED THAT AREA AS WELL. DID SEE A COUPLE SMALL ROACHES THERE AND SOME DEAD ONES, DIDNT SEE ANY MORE.
