

Existing 6' high fence to be replaced  
(Chadwick Street elevation)

Both sides of the fence are the same with the exception of the top which slopes toward the inside.

Public Side

Garden Side

Proposed New Fence:

5'-6" high adjacent to sidewalk

Public side of fence to be stained—color selection to be submitted to City

Vines to be planted at base of fence to climb on public side of fence

**Proposed Fence Replacement**
