Christina:

Attached is a copy of the lease for 481 Danforth Street.

Please note that ownership of the property is the subject matter of litigation in the Superior Court (Business Court Division, Justice Horton). The partners are scheduled for mediation of the dispute in August at which time I expect the issue to be resolved in the applicant's favor. The applicant is a partner in the redevelopment of the property and he has resided at 481 Danforth since May, 2013.
