Dear Mr.Harris,

On May 5 2006, Code Enforcement Officer/Plan Reviewer Tammy Munson performed an evaluation of the resident facilities, common areas, kitchen facilities, laundry facilities, and refuse areas at the above location. Our evaluation focused on the sanitation, vermin infestation, general housing standards and general conditions.

The evaluation revealed conditions that consistently exceeded the City's Minimum Standards for Housing. No vermin infestation was noted and the general sanitation exceeded our expectations.

Thank you and your staff for your efforts. It is clear that you all take pride in the condition of the institution.

Sincerely,

Tammy Munson  
CEO/Plan Reviewer
