Re: Signs - 1197-1199 Congress Street

Gentlemen:

Recent inspection of the above-referenced property revealed numerous signs on the premises which have no permits or for which the permits have expired.

Permits for the two temporary 4' x 8' signs have expired. You must apply for new permits or remove these signs immediately.

There are also several portable sidewalk signs in violation of the Municipal Code. I have enclosed the standards for these signs. You will note that only one sign per establishment is allowed. I counted five such signs at the time of my inspection -- none of which have a permit.

You must apply for permits for the signs you wish to use and remove all others immediately.

If you have any questions regarding this please contact me at 874-8300, ext. 8707.

Sincerely,

Kathleen A. Lowe
Code Enforcement Officer
