Ms. Machado,

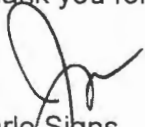

Thank you for handling my paperwork for replacement signs for Princeton Properties at 214 and 216 Brighton Ave. As discussed, our client hopes to replace the two existing 40 sf, 8' tall, non illuminated monument signs, with two new signs, same area, and same height.

Princeton Village is a large scale residential property(s) that needs adequate identification, more so than the sign ordinance currently allows.

Our client only seeks to clean up and replace their existing signs; our proposal is a positive improvement to these two addresses.

Should your department have any questions or concerns, or require any additional information, please don't hesitate to contact me.

Thank you for your time,
