You will need to provide an updated application and plans. We can put the permit on hold till we receive the info.

It is possible to remove the dormer from the application? We no longer want to add it.

We received your payment; thank you.

Now that payment has been made, the permit will begin the review process. Once the permit has been issued, it will be delivered to the e-mail address on record. You can review permit status on line: <http://www.portlandmaine.gov/792/Permit-Status> (Please reference the address or Permit ID # notated on the invoice.)

This is not an approval of your permit. Work cannot commence until the permit is issued.

Dena

All documents need to be separated PDFs and named correctly. Please provide a complete application package as required and we can enter it.
