

**A NOTICE FROM THE PORTLAND PLANNING BOARD
RE: 118 SUNSET AVE. (GREAT DIAMOND ISLAND)**

To Residents and Property Owners: The Planning Board will hold a public hearing to consider a proposed conditional zone by Dinosaur Enterprises, Ltd. for a fuel distribution service at 118 Sunset Avenue on Great Diamond Island. The proposal would allow an existing fuel distribution business to continue its operations. The existing underlying zoning of the property (IR-2 Residential) does not permit such uses. The size of the property and zone change is 21,643 sq. ft. The proposal would allow two fuel delivery trucks and a dispensing gasoline trailer on the site. Conditional zoning provisions include applicant to demonstrate compliance with federal, state and local permits, licenses and other requirements; restriction on uses on the site; and termination of agreement if Dinosaur or immediate family discontinues business for at least 12 months. Public comments will be taken at this meeting.

A vicinity map of the proposed zone change (in cross hatched area) is shown below:

The meeting will be held:
