Dear Inspectors: I mistook the cost of work to mean cost of labor rather than cost of project. Do you need the information below in PDF? (I hope not)

Permit 73 Diamond Ave., Great Diamond Island
 Application addendum for Cost of Project

Tent	\$313.95
Shipping	<u>15.00</u>
Cost of Materials	\$328.95
Cost of Work	0 (My son and grand children will help me erect the tent at no cost)
Total cost of Project	\$328.95

Thanks again for your patience.

After trying to enter this into the system, you did not provide a cost of work on the application. It cannot cost N/A. Please provide a complete of cost of work for this total project. It must be current market value. Once provided, we can enter the permit.

Dear Inspectors: They say the third time is a charm, so here goes. I've attached my document in pdf form for a permit to erect a storage tent at 73 Diamond Ave., Great Diamond Island.

Thank you for your patience as I've struggled with this process.
