Marge,

I called Carol Merritt at PS's shortly after I received this email from Ted Musgrave. She told me at that time there would be no problem as far as she is concerned. I am sure you will verify that fact. The Digsafe folks have already been to the island and done their inspections. The Digsafe permit # is on the back of one the sheets I have provided you. I hope this helps. Thank you.

Gary

hi gary -

for the proposed TENT...

1. you will need to contact Public Services (about use of the street and any charge thereof).. you can call Carol Merritt at PS's (874-8822)... she should be able to assist - or steer you in the right direction for review and approval

i have cc'ed carol on this email

2. For a TENT permit, you will need to contact Lannie Dobson at Inspections Services, 874-8693. you would also need to contact DIG SAFE (888-344-7233) to make sure there were no utilities underground (where the tent stakes will go)

i've cc'ed lannie on this as well

3. there would be no recreation permit fees required from the Rec Office

thanks... and i hope you have great weather for the wedding.....!!! best wishes.

>>> Ted Musgrave 4/4/2011 2:34 PM >>>

hi gary -

thanks for your email.

when i got your phone call, i put in a request to city staff.

i'm still waiting on advisement... but it shouldn't be long.

thanks for your patience. i'll be back to you shortly.

Ted,

My son is getting married on August 20th on Great Diamond Island. We will be putting up a tent for the reception. I live at 100 Willis St. and my mother-in-law lives at 104 Willis St. Our properties abut a paper street

called Bay Avenue. It is not an improved street and there is no vehicle traffic. It does not appear on the new 911 map for the island. We would like to put the tent partially on private property and partially on the paper street. Do you see any problem in doing so?

I got a permit application from Zoning and Inspections. I noticed there is a space for placing a tent on City owned property. At this point, we are not certain of the exact location of the tent. We have two possible scenarios, both would include putting the tent partially on Bay Ave. I will file the application if you don't see any red flags. Thank you.
