Attic Space Assessment

25W x 35L

$78 \checkmark$   
 $120$   
 $250$

$65$     $65$     $65$     $65$

$32$  max bottom of skylight

$10'$

$50$     $70$     $50$

Area  $750$  Headroom =  $12 \times 35 = 420$  ft,  $50\% = 210$  ft  
 Area  $770$  Headroom =  $7 \times 35 = 245$  ft  $> 50\%$  @  $210$  ft

\* and this doesn't account for the gable area which would add to area over  $700$  headroom.
