Re: Permit #100911 @ 8 Ryefield Street

Dear Mr. Rioux:

I have just received your letter of March 19, 2015. I am glad to hear from the City after several years of silence regarding my permit. I had been communicating by email back them and my last 4-5 message went unanswered. Even contact by my attorney at the time failed to cause any specific response from the action person's supervisor.

To be clear, I would welcome a site inspection for the purpose of determining compliance with applicable code as of the date of my after-the-fact permit application for the outdoor deck..

Do you need for me to be present when the inspection is performed?
