

Good day, this is Terry Edwards .

I'm writing to you about my building permit at 8 Ryfield St. (Peaks Island)

Permit I'd 2015-00173. Issued 04/21/15

I had called your department a few time, in May and June to have an inspector come here and inspect the framing and insulation.

I understand you must be very busy with all the building going on.

I would like someone to contact me with a time we we could meet at job site.

Thank You very much.

Terry Edwards
