Hello,

For your approval:

The 5th Maine Regiment Museum at 45 Seashore Ave. on Peaks has submitted an application to add entertainment (no dance) to their FSE w/ Prep license. They occasionally have events, like weddings and community events, in which there is live music (think piano playing and small acoustic bands). Any music would be played in the basement, first floor, or porch. All events are over by 9 p.m.

James and Gary, I didn't know which one of you to email on this one, so I apologize in advance.

Contact: Nancy Cuthbertson - 233-8975

Please put approvals in UI when possible.

Thanks,
Janice
