Dear Mr. Reynolds:

This is just a follow up letter about our conversation we had on August 30, 1999, some of your employees had deposited cardboard in the paper board container, (ie: silver bullet). I explained how this contaminates the load and results in a larger expense for disposal .

We have a unique situation on Peaks Island with commercial trash disposal. We appreciate your cooperation and thank you for your help in this matter.

Sincerely,

Tom Reinsborough
