Re: Permit ID: 2013-00258; 6 Welch St, Peaks Island, ME

Hi Jeanie,

As per the conditions of the building permit ID: 2013-00258, specifically the Building Department Note #4, I am submitting the 2 attached drawings showing the proposed new floor framing plan. I found a real mess when I opened things up. The framing was half rotten and unusable. And the footings were simply rocks set on the ground.

Thank you,
