Vito...we need a better address or CBL. As far as the fees or not, we cannot determine this until we know exactly which property it is.

Hello, here is the Electrical Permit for work we are going to perform at the Waste Water Treatment Facility on Peaks Island. This is for the City of Portland Water and Sewer District so I am not sure if there is a fee or not. I am pretty sure I filled everything out that I needed to. If you have any Questions feel free to let me know. I will call sometime tomorrow. If need be you can contact me at (978) 265-0340.

Thank You
