

Please note that all locations and dimensions are illustrative only and should be verified in the field. All construction and planting shall be on the owner's property and shall locate property boundaries. Underground and unknown conditions are not included in this plan except as might be shown as a general illustration. This is a Design/Build plan and may be amended to be shown. Some portions of this plan may not be included in a particular construction phase. Not all specifications for construction are on the plan. When in doubt, owners should refer to their contracts to review what will be included in a specific construction phase.
