

AAA FIRE EXTINGUISHER CO.

"Fire Protection since 1968"

To: Portland Fire Dept, Fire Prevention, Building inspections
From: Brian @ AAA Fire Extinguisher Co.
Date: May 24, 2016
Ref: Milly's Skillet kitchen system installation

Dear building inspector,

Milly's skillet 1 Welch street, Peaks Island Me.

AAA Fire Extinguisher Company will be installing a wet chemical Amerex 2.75 gallon kitchen fire suppression system to UL300 specifications in the kitchen exhaust hood. The kitchen system will have nozzle protecting the kitchen hood, the duct and a fryer and a griddle. The system will have 2 means of actuation, 1 via manual pull release and the other with fusible links. The appliances will shut down automatically once the system has been actuated.

Scheduled installation date 6/8/16

Thank you

Sincerely,

Brian Grondin
AAA Fire Extinguisher Co., Inc.
