**Dept:** Zoning      **Status:** Approved with Conditions      **Reviewer:** Jeanine Bourke      **Approval Date:** 12/31/2002

**Note:** 12/09/02 Mr. Murphy submitted revised plans.

**Ok to Issue:**

12/23/02 spoke with Mr. Murphy to confirm the bay window size. He said it will not extend more than 18" and it is 6' to 8' above the grade. Marge and I determined it is not to be considered an increase in the footprint.

- 1) 9/24/02 met with Marge & the Murphy's to discuss the zoning issues. The IR-2 zone has a 20% lot coverage allowance. This lot is 5000 sq.ft. giving a max of 1000 sq. Ft. The existing house covers 1147 and there are additional small decks at two other exterior doors increasing the coverage to 1203 sq. Ft. Even with the proposed removal of a deck, the lot coverage would still be exceeded, so the proposed addition can not be approved.
- 2) This permit allows the enclosure of the existing exterior wrap around deck and addition of a bay window to create an interior living space. The owners will remove approximately 78 sq. Ft. Of the front right deck and only enclose the portion of the porch that has an existing roof.
- 3) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval.
- 4) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.

**Dept:** Building      **Status:** Approved with Conditions      **Reviewer:** Jeanine Bourke      **Approval Date:** 12/31/2002

**Note:** **Ok to Issue:**

- 1) Plans must be submitted to show the framing details of the new walls and the bay window specs.
- 2) Separate permits are required for any electrical or plumbing work.

*FYI*

Dear Mr. Murphy:

Thank you for taking the time to write to me. I have received your letter which requests that the City Council review the requirements on island lots that have city sewer service. I have spoken with City staff Marge Schmuckal and Tom Fortier. They have both assured me that they will do all they can to meet your need for an addition on your existing home.

The Peaks Island community, as you know, is struggling with growth and development. It will be a challenge to maintain that island character while enjoying the conveniences of modern day living. I would ask that you follow up with Tom Fortier, Island Administrator, if you continue to feel that the current ordinance should consider changes in set backs etc. Tom is familiar with the "island sentiment" and also worked with me on the "Newell" amendment. Good luck and feel free to call or write me at anytime.

Sincerely,

*Peter O'Donnell*
