Good Morning Ann,

Could I get an extension on my building permit for 25 alderbrook rd? (app # 201700257)

With the loss of a customer, Chris Coppi's new shore land design and a smaller building footprint I am in the process of having a smaller home drawn by Glenn Smith design.

I anticipate getting all things together for you with 45 days at the latest.

Let me know your thoughts. thanks you...pete
