Seashore Ave
Peaks Island, Me 04108

Re: 85-N-11 Seashore Ave, P.I.

Dear Nina Hayden:

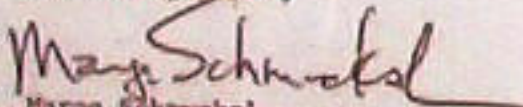

On this date we issued a permit for a deck attached to your single family dwelling at the above location. The permit was issued based on the information you supplied this office. It now appears that the plot plan you submitted does not correspond to what the assessor's records have for your lot.

Your drawing shows that your rear property line extends to the mean high water mark. The assessor's charts show a much different picture. It indicates that this new deck could be extending over your rear property line.

At this point, I am putting a stop order on the job until further information is forwarded to this office for the purposes of clarification. Work should cease immediately.

If you have any questions regarding this matter, please do not hesitate to contact me at 775-5451 x327.

Very truly yours,

Marge Schmauckal
Assistant Chief, Inspection Services
