9/30/2008-jmb: Spoke with David S. About the need for a building permit with this application. This is vacant land, and we cannot issue this permit without the structure review for complete approval. Also, the lot size does not meet the minimum required size, documentation is required to substantiate either a lot of record or the application shall note such.

9/24/2008-jmb: Left voice msg to call about the application process

10/1/2008-jmb: Spoke with Marge and confirmed the review and approval requirements

10/6/2008-jmb: Spoke to Carol E. After lots of phone tag and explained that this is a procedural policy for not approving to install a septic system prior to the site plan and building permit approvals. Also mentioned the lot of record information that needs to be submitted with the septic application to satisfy the variance to the minimum lot size requirement. She will submit info to Marge and discuss the procedures and we will consult with Penny.

Hi Marge—

Sorry to miss you today. I am dropping off for your review the information you need to confirm that the property owned by me and David Simpson at 100 Ledgewood Street on Peaks Island is a buildable lot. As we discussed, you are looking for confirmation that it was a lot of record prior to July 15, 1985, held under separate and distinct ownership from adjacent lots. You asked me to trace the chain of title for our lot and all abutters back to at least July 14, 1985 to demonstrate that it meets that ordinance requirement. Attached is a summary page listing our parcel and each abutting parcel and identifying the owner. You will see that I have traced the chain of title for each parcel back to a date prior to 1985 as best I could. The summary page lists the owners, dates of transfer, and book and page for the deeds. The packets behind are the deeds listed for each parcel, bundled by parcel and in date order. I am not experienced at searching the registry and I was occasionally confused by deeds that seemed to include more than the parcel I was researching, but I think I have assembled what you need. As you can see, our parcel has been a separate lot of record since some time well prior to July 14, 1985.

I will be out of the office on Thursday, but I hope we can talk on Friday to review this information. You can reach me at 774-7474.

ORDER

After considering the complaint filed in this matter, the Court makes the following findings:

1. That Harold Somers died April 23, 1992, while a resident of Montpelier, Vermont, but while owning property located on Peaks Island, Portland, Maine.

3. No court proceeding concerning the succession or administration of Harold E. Somers' estate has occurred.
4. More than three years have passed since the death of Harold E. Somers, thus affirming the assumption of intestacy as provided for under 18-A M.R.S.A. Section 3-108.
5. At the time of his death, Harold E. Somers held title to certain real property hereinafter referred to as "Premises" which is more particularly described as follows:

Beginning at the most Southwesterly corner of Lot No. 4 according to a certain plan and survey agreed upon between Orrin B. Whitten and Sarah Inness, said plan being recorded in the Cumberland County Registry of Deeds in Book 588, Page 370, to which plan reference is hereby made for a more particular description; thence running Northerly along the boundary line between Lot No. 3 and Lot No. 4, as shown on said plan, fifty (50) feet to a stake; thence Easterly in a line parallel with the most Southerly boundary line of said Lot No. 4 fifty (50) feet, more or less, to a stake, thence Southerly in a line parallel with the boundary line between Lot No. 3 and Lot No. 4, as shown on said plan, and distant fifty (50) feet therefrom, fifty (50) feet to the Southerly boundary of said Lot No. 4; thence Westerly along said Southerly boundary fifty (50) feet, more or less, to the point of beginning.

Being the same premises conveyed to Harold M. Isenor and David J. Isenor by deed dated June 25, 1948, and recorded in said Registry in Book 1904, Page 494. The said David J. Isenor died in Portland, Maine on September 21, 1951.

Also a certain lot or parcel of land numbered five (5) according to a certain plan and survey agreed upon between Orrin

B. Whitten and Sarah Innes and recorded in said Registry in Book 588 between pages 370 and 371, said lot of land being situated on Peaks Island in said Portland and having the following dimensions, according to said plan: on the North line along Ledgewood Road, so called, sixty-eight (68) feet, more or less, on the Westerly line one hundred twenty three (123) feet, more or less, on the Southerly line seventy-two and six tenths (72.6) feet, more or less; and on the Easterly line one hundred seventeen (117) feet, more or less, containing 8,700 square feet, more or less, according to said plan.

Meaning and intending hereby to convey all the right, title, and interest in and to said premises which was conveyed to David J. Isenor by James C. Moran by deed dated January 9, 1925, and recorded in said Registry in Book 1187, Page 191, together with all the rights of way and easements and any and all other rights and privileges over Ledgewood Road, so called, as conveyed and described in said deed.

Title of Harold M. Isenor was acquired by reason of his being the only child and thereby the sole heir at law and next of kin of said David J. Isenor, who died in Portland, Maine, on September 21, 1951, his wife, Margaret G. Isenor, having predeceased him at said Portland on June 17, 1948.

Also BARGAINING, SELLING AND CONVEYING, all the furniture, furnishings, fixtures, equipment and any and all other articles of personal property this day located in the cottage on Ledgewood Road on said Peaks Island, which cottage stands upon the land previously described above.

6. The value of the property is \$50,000.00 or less.

7. That Mary Louise Somers has acquired title to the property in Paragraph 5 above as the priority heir to property valued at \$50,000.00 or less, pursuant to 18 M.R.S.A. Section 2-102(3).

WHEREFORE, it is hereby ordered and adjudged as follows:

RE: Property at 100 Ledgewood Street
Peaks Island, Maine

Dear Marge:

This letter will confirm the telephone message you left for me on October 14, 2008. In that message, you said that the property owned by me and David Simpson at 100 Ledgewood Street, Lot 87-U5 and 87-47, was a lot of record since prior to July 15, 1985 and could be built upon subject to all other restrictions such as setbacks. You also said that you anticipated that we would submit an application for a building permit, which is accurate, and that a permit could be granted for this property.

If I have misstated any representations or have misunderstood them, please be in touch. Otherwise, we look forward to working with you to develop this property within the City's zoning restrictions in order to create a home for our family.

Very truly yours,

Carol I. Eisenberg
