**Subject:** Permit #2014-01604 - 25 Church Ave., Peaks Island

---

Brad -

I need you to change the permit type on this permit. You chose Change of Use - Commercial but it should be Radio/Telecommunications Equipment. I have changed it in Urban Insight and the G drive. Can you change it in Eplan please?

Also, this is not a change of use. Telecommunications equipment is not a separate use, it is an accessory use.

Thanks.

Ann
