RE: **After-the-Fact Building Permit Application**
Charles D. Radis – Property at 334 Island Avenue, Peaks Island

Amended Narrative to After-the-Fact Building Permit Application
Sandra K. Radis – Property at 328 Island Avenue, Peaks Island
Tax Map 87, Block R, Lot 2

Dear Christina:

Please find enclosed in paper form and via a flash drive the following documents:

- An after-the-fact building permit application as to the portion of the Radis boardwalks that lies on the property owned by Charles Radis (87-R-3), and
- An amended narrative to the after-the fact building permit for the ramp and boardwalk at Sandra's property (87-R-2) that I filed in May.

The amended narrative takes into account the boardwalk that extends up to the road as well as the portion that lies behind the boathouse. (The original version just dealt with the latter.) Disability variance applications for both parcels also are being filed today.

If you have any additional questions, please feel free to call.

Best regards,

Brenda M. Buchanan
